“Congress is a uniquely rewarding event, bringing together people with a passion for Homeopathy from a spectrum of disciplines. I look forward to welcoming you to our 2016 Congress, hosted in beautiful Belfast.”

Dr Helen Beaumont, President of the Faculty of Homeopathy

The Faculty of Homeopathy Congress is recognised as the most intellectually and socially stimulating event in the homeopathic calendar. For the first time ever, in 2016 this biennial event is coming to Belfast, Northern Ireland's largest city, where we hope you will join us.

The traditional Irish greeting, “Céad Míle Fáilte”, which translates as “A hundred thousand welcomes” reflects the warm and convivial hospitality that awaits you in Belfast. Local must-see attractions include Titanic Belfast, City Hall, Game of Thrones film sets, Crumlin Road Gaol and the Giant's Causeway.

Dr Julie Geraghty

Dr Heiner Frei

Dr Jonathan Hardy

Dr Elizabeth Thompson

Centred on the theme, **Homeopathy: Healthy Patients, Healthy Practice**, delegates will enjoy presentations, seminars and workshops delivered by leading homeopaths from the UK and around the globe. Topics for discussion will include the first UK presentation by Swiss Paediatrician Dr Heiner Frei, who will be introducing his very successful approach to treatment of children with ADHD; Dr Jonathan Hardy's video cases of patients with severe addictions markedly helped by Homeopathy; Dr Julie Geraghty introducing the new Gemstone remedies like Amethyst, Diamond and Emerald (also very useful in addiction) and Dr Elizabeth Thompson discussing the usefulness of the hydrocarbon remedies in treating patients with cancer.

A key focus for this year's Congress is to encourage networking – from the newly (or soon to be) qualified homeopath to established academics within the homeopathic community. To this end we are developing a comprehensive programme with an increased number of opportunities for networking. Plus there are three fantastic social events, which will provide plentiful opportunities to encounter friends old and new.

For Congress 2016 we are again delighted to feature the Weleda sponsored competition, aimed at students of Homeopathy, where the winning prize is the opportunity to attend Congress (including social events) all expenses paid, as well as a visit to Weleda in the summer.

The Faculty of Homeopathy Congress 2016.
Inspirational learning at its best.
